

MOTHERS®

M A R I N E

Life on the water can be extremely difficult. Salt spray, relentless sun and waterborne minerals all take their toll on your vessel's appearance. Regular maintenance with quality Mothers® marine care products is an essential part of keeping your vessel looking like new.

Cleaner Wax

#078175-91516, 16 oz.

A simple-to-use, all-in-one #1 Brazilian carnauba wax. Mothers® Cleaner Wax removes light oxidation, haze and scuffs, while providing long-lasting protection and enhanced gloss to gelcoats and fiberglass. Helps protect against ultraviolet rays and environmental contaminants.

Wash'n Wax

#078175-91532, 32 oz.

A concentrated, low-sudsing, environmentally friendly wash and wax, for boat and RV surfaces. Specifically formulated to quickly and easily remove dirt, salt spray, grime and scum while adding protection to all finishes.

PowerBall Mini®

#078175-91041, Polishing Tool with 10" Extension

This revolutionary tool takes your intricate, tedious polishing jobs and makes them easy. It features a 10" extension and integrated sleeve that allows for unparalleled control with added reach and pinpoint accuracy.

Black Streak Remover

#078175-91624, 24 oz.

Formulated to quickly and easily remove those unsightly black streaks from gelcoats, fiberglass or metal. "Just spray, wipe and rinse!"

Vinyl & Rubber Care

#078175-91424, 24 oz.

The fast, easy way to rejuvenate the look of your vinyl and rubber – in one simple step. This unique pH balanced formula safely deep cleans and conditions, leaving your marine surfaces supple and natural looking, without a greasy residue.

Synthetic Wax

#078175-91556, 16 oz.

A super-tough, one-step synthetic polymer wax, custom engineered for modern gelcoats. Our easy-to-use, high-tech formula creates a long lasting protective barrier against harmful environmental contaminants and UV rays. Removes light oxidation and leaves behind an unparalleled deep gloss shine.

PowerBall®

#078175-91040, Polishing Tool

Revitalizes almost any marine surface, including stainless steel, brass, plastic and clear vinyl in seconds. The unique and durable construction compresses to fit tight spaces. Simply attach to any variable-speed drill and apply the appropriate Mothers® product.

PowerPlastic®

#078175-91058, 8 oz.

Easily cleans and shines a wide variety of hard or flexible plastics and clear vinyls. Removes light scratches, oxidation, haze, and stains, leaving a long-lasting protective barrier against UV rays, water spotting, and more.

PowerMetal®

#078175-91048, 8 oz.

Restores and protects polishable metals, including stainless steel, brass, bronze and aluminum. Polishes to a like-new shine by removing tarnish, light surface rust, mild oxidation and corrosion, providing protection and a lasting brilliant shine.

Spray Wax

#078175-91824, 24 oz.

Formulated for quick and easy touch-ups, our Spray Wax removes light water spots, dirt, dust and grime. It restores depth and luster to gelcoats, fiberglass, and most marine finishes. Used on a wet or dry surface, Mothers® Spray Wax adds shine and protection, even while on the go.
