

CARBORUNDUM

FULL COVERAGE, INSIDE AND OUT

With all the pressure on reducing cycle time, it's more important than ever to get the job done fast and right, and deliver the customer a finished product that's as good as new. From drop-off to delivery, our full line of Paint Preparation and Protection products meets all your interior and exterior masking needs and includes a wide range of products at competitive prices, including:

- Protective Plastic
- Masking Paper
- Foam Masking Tape

PROTECTIVE PLASTIC

CARBO EZ SHEET PAINTABLE PLASTIC SHEETING

With EZ Sheet Paintable Plastic Sheeting, paint will adhere to the outside layer of plastic, eliminating the paint flake-off. Therefore the sheeting can be cut and taped along the critical edge, replacing the need for masking paper. The cling of the EZ Sheet makes it easy to handle as it covers the area that is to be protected making it a trusted and versatile product for any shop.

FEATURES & BENEFITS

- Tri-layer paintable sheeting is easy and fast to apply, and clings to the vehicle's body even after being repositioned
- Corona-treated so the overspray paint won't flake off and create rework
- 3-ply resin formula provides excellent tear resistance, prevents bleed through, and is solvent resistant
- Conveniently packaged on a standard core to fit all current masking dispensers, making it simple for one person to apply

DESCRIPTION	12' x 400' PART #	16' x 350' PART #	20' x 350' PART #
EZ Sheet	055395 63770	055395 63769	055395 63895
CASE	1	1	1

CARBO OVERSPRAY PROTECTIVE SHEETING

Carbo Overspray Protective Sheeting is an economical choice for paintable sheeting. The medium density, corona-treated plastic is available in two sizes for a variety of shop needs.

FEATURES & BENEFITS

- Medium-density solvent-resistant plastic clings well, is easy to handle and protects vehicle from bleed-through
- Corona-treated plastic prevents paint from flaking off

DESCRIPTION	12' x 400' PART #	16' x 400' PART #
Overspray Sheeting	055395 70530	055395 06728
CASE	1	1

CARBO EZ WRAP PROTECTIVE PLASTIC

EZ WRAP SELF-ADHESIVE WEATHER BARRIER

Designed as a temporary weather barrier for a broken window, windshield, sunroof, sprung door or missing panel, EZ Wrap Self-Adhesive Weather Barrier keeps the interiors of damaged vehicles dry and clean when stored outside. Should not be baked or installed on wet or damp surfaces.

EZ WRAP WHEEL MASKERS

Carbo Wheel Maskers offer excellent cling, superior paint adhesion and are easy to dispense from a perforated roll.

FEATURES & BENEFITS

- Clear film with built-in UV inhibitors for interior protection from the sun
- Weather barrier adheres well to metal and glass, yet can be easily repositioned
- Versatile 36" width will cover windshields on most cars, SUV's and light trucks in one pass
- Strong cling offers ability to stay on vehicle for up to 30 days

DESCRIPTION	PART #
Weather Barrier 36" x 100' (9 lbs.) 3 mil thick	055395 68509
CASE	1

FEATURES & BENEFITS

- Tri-layer plastic creates a thick barrier to ensure wheels are protected during the painting process
- Paint adheres to the plastic preventing it from flaking off
- Fully covers both sides of wheels up to 17"
- Strong cling offers ability to stay on vehicle for up to 30 days

CASE	1

PROTECTIVE PLASTIC

EZ WRAP BUCKET SEAT COVERS

The Carbo Bucket Seat Cover is a unique two-layer, co-extruded patented product that protects vehicle seating surfaces from grease, oil and most chemicals. The manufacturing process allows the bottom layer to grip the seat and hold the seat cover in place while the top layer provides access for technicians to slide in and out with ease.

EZ WRAP FLOOR MATS

Like the seat covers, the EZ Wrap Floor Mats are a unique two-layer, co-extruded product that protects vehicle floor surfaces from grease, oil and most chemicals. The co-extrusion process allows the bottom layer to grip the floor and hold the protective mat in place.

FEATURES & BENEFITS

- Full coverage, from head rest to floor
- Will not slip or bunch up
- Protects seats from grease, dust and chemicals
- Perforated every 32" for full seat coverage

FEATURES & BENEFITS

- Excellent ability to grip means mats will not slip or tear
- Protects floor from grease, dust and chemicals
- Generously sized at 16-1/2" x 21"
- Roll is perforated every 16-1/2" for ease of use

DESCRIPTION	PART #
Bucket Seat Covers (125/roll) Non-Slip	055395 68510

MASKING PAPER

CARBO WHITE PAINT CHECK MASKING PAPER

Carbo Premium White Paint Check Masking Paper is Corona-treated so paint won't flake off, poly-coated to protect against bleed-through and has a built-in Carbo Paint Check design for convenience. A stronger, yet thinner paper, it easily conforms to tight curves without tearing.

FEATURES & BENEFITS

- Corona-treated so paint won't flake off and poly-coated to protect against bleed-through
- Features built in "Paint Check" design for use confirming proper paint flow and coverage
- Tear-resistant paper makes it easy to reposition tape without ripping
- White paper does not distort the lighting during the painting process
- Resistant to waterborne and solvent-based products

DESCRIPTION	PART #	PART #	PART #	PART #	PART #
750' Roll	055395 70582	055395 70583	055395 70584	055395 99424**	055395 70585
CASE	1	1	1	1	1

Each 750' boxed case is a 36" log. Dimensions are approximate. ** 24" is a single 24" log.

PREMIUM MASKING TAPE

CARBO FOAM MASKING TAPE

Carbo Foam Masking Tape is an easy-to-use, time-saving product to mask door jambs and other apertures like hood and deck lid openings that need to be sealed during the painting process. Produces a soft edge, rather than a hard paint line, so rework is eliminated and productivity is increased. Available in Premium (20mm) and Standard (13mm).

FEATURES & BENEFITS

PREMIUM (20MM)

- Apply to fixed or moving parts
- Offset adhesive keeps adhesive away from the paint edge
- Semi-split design conforms easily to most apertures without rolling to ensure a smooth paint edge
- Continuous roll that does not distort when torn

FEATURES & BENEFITS

STANDARD (13MM)

- Apply to fixed parts
- Reduce mask time

DESCRIPTION	13MM (1/2") PART #	20MM (3/4") PART #
