**CARBORUNDUM**

# CARBO™ MIRROR finish™

## FEATURES & BENEFITS

- Premium grain for automotive applications; Consistent, fast cut
- Flexible backing resists tearing, cracking, and wrinkling
- Specially treated waterproof paper backing requires no soaking, resists curling, and will not deteriorate

## SPRITZ AND GO!

Carbo Mirrorfinish design works just as well wet or dry and gives the same cut no matter how you use it. If you prefer the paper to be wet, just spritz and go. Or, if you like to soak your paper, go ahead because Carbo Mirrorfinish has curl resistance built right in so it stays flat and the product will not deteriorate, no matter how long you leave it in water.

## FAST AND CONSISTENT CUT

Technologically advanced grains are precisely sized, graded and applied to give Carbo Mirrorfinish a super-fast cut and a consistent scratch pattern that's easy to buff out. It makes quick work of removing imperfections plus enhanced flexing ensures that the paper won't crack or leave wild scratches when it's folded over. You can be confident in the performance of Carbo Mirrorfinish.

## FABULOUS FINISH THAT BUFFS OUT FAST

Advanced coating technology provides a very consistent sanding surface so what you get is a very consistent cut. The bottom line is that buffing time is done in no time as there are no wild scratches to re-work. Carbo Mirrorfinish gets the job done right at every step of the process.

## TAKE CARBORUNDUM FOR A TEST DRIVE!

**CALL 1 (888) 295-5148**

Carborundum is 100% committed to bringing the best performing products to body shops at a fair price. You can test drive Carborundum products in your shop when it's convenient for you. Simply let your Carborundum salesperson know when you'd like to test Carborundum in your shop. Our test drive program allows the technicians to do their regular work, without interruption, using Carborundum products at no cost in "real world" conditions.

You're the final judge of performance. At the end of the day, the Carborundum salesperson will review the results, provide you with potential cost savings and convert the shop to Carborundum products if you like what you see. There has never been a better time to look at ways to increase productivity and to reduce costs at absolutely no risk to you. Call 1 888 295-5148 to set up a Test Drive today.
