TAKE CARBORUNDUM FOR A TEST DRIVE!

CALL 1 (888) 295-5148

Carborundum is 100% committed to bringing the best performing products to body shops at a fair price. You can test drive Carborundum products in your shop when it's convenient for you. Simply let your Carborundum salesperson know when you'd like to test Carborundum in your shop. Our test drive program allows the technicians to do their regular work, without interruption, using Carborundum products at no cost in "real world" conditions.

You're the final judge of performance. At the end of the day, the Carborundum salesperson will review the results, provide you with potential cost savings and convert the shop to Carborundum products if you like what you see. There has never been a better time to look at ways to increase productivity and to reduce costs at absolutely no risk to you. Call 1 888 295-5148 to set up a Test Drive today.
