# CARBO™ MEDALIST®

## TYPE 27 MEDALIST GRINDING WHEEL

### A UNIQUE CERAMIC/ZIRCONIA ALUMINA BLEND

We've expanded our Carborundum grinding wheel family to offer a best-in-class tier that not only delivers a high cut rate with longer life than most general options in the market but it also provides high performance at the lowest total cost. Others might make similar claims but can they stand behind it? We can. And, we're stepping up to our name, Medalist, because we know it will make a noticeable difference to your overall productivity that's worthy of your own medal.

#### FEATURES & BENEFITS

- Ceramic alumina and zirconia alumina blend provides constant wheel wear and metal removal
- 1/4" are designed for offhand stock removal, smoothing welds and beveling
- Ideal for carbon steel applications such as weld removal and pipe beveling
- All wheels are fully speed tested and comply with ANSI standards

#### TYPE 27 DEPRESSED CENTER WHEELS – FOR RIGHT ANGLE GRINDERS

PART #	WHEEL SIZE (D x T x H)	MAX. RPM	WHEELS/BOX
66253371634	4-1/2" x 1/4" x 5/8"-11	13,580	10
66253371050	4-1/2" x 1/4" x 7/8"	13,580	20
66253371051	5" x 1/4" x 7/8"	12,225	20
66253371052	6" x 1/4" x 7/8"	10,185	20
66253371120	7" x 1/4" x 5/8"-11	8,600	10
66253371053	7" x 1/4" x 7/8"	8,600	20
66253371121	9" x 1/4" x 5/8"-11	6,600	10
66253371054	9" x 1/4" x 7/8"	6,600	20
